

Submitter: Leo May

On Behalf Of:

Committee: Joint Committee On Transportation Reinvestment

Measure, Appointment or Topic: HB2025

I am medically retired and this would be a huge financial burden on myself and my wife.

We barley make 4,000.00 a month, we would not even be able to exist here in Oregon. Both of us were born here and love our State. The Democrats seem to think we are expendable.
