Measure, Appointment or Topic: HB2025

I am Cliff Stephens from Portland, Oregon. I'm strongly opposed to HB 2025. Raising gas taxes, registration fees, and licensing costs in the middle of a cost-of-living crisis is unacceptable. This bill punishes working families and retirees like me just trying to get by. Oregon already has some of the highest gas taxes in the nation and those taxes have been wasted on failed projects. Use the current taxes wisely.
