Measure, Appointment or Topic: HB2025

My name is Jennifer Davis from Albany, Oregon. I'm strongly opposed to HB 2025. Raising gas taxes, registration fees, and licensing costs in the middle of a cost-of-living crisis is unacceptable. This bill punishes working families just trying to get by. This additional money goes towards NON-CORE objectives. ODOT does not deserve more money when they can't even successfully manage the money they already have to meet Oregon's basic transportation.

Enough is enough.
