Committee: Joint Committee On Transportation Reinvestment

Measure, Appointment or Topic: HB2025

My name is Elizabeth Hall and I live in McMinnville, Oregon. I'm strongly opposed to HB 2025. Raising gas taxes, registration fees, and licensing costs in the middle of a cost-of-living crisis is unacceptable. This bill punishes working families just trying to get by. Enough is enough.

My husband and I both commute and work long hours. It is expensive to live in Oregon and to provide for a family. I really wish the legislature would spend its time trying to save money and cut costs for working families rather than increasing the costs which make it get harder and more challenging for honest, hard-working families to make ends meet and live their life. Please do not pass this bill.

Sincerely,
Elizabeth Hall
