Committee: Joint Committee On Transportation Reinvestment

Measure, Appointment or Topic: HB2025

NO on HB 2025

This is an abusive amount of spending and will burden many of us Oregonians and Small Businesses. Stop squandering our money on whatever pet projects or paybacks you are trying to fund. In real life, us responsible Oregon Citizens have to cut back our spending when money is tight. It is time for you all in the legislature to be equally responsible citizens and cut back your spending too.
