Measure, Appointment or Topic: HB2025

To Those that are Concerned

I Oppose increasing taxes on licenses, registrations, fuel, along with the increase of used and new car sales tax. As a citizen all we are seeing is the high cost of living being increased without any accountability as to where and how the money is being spent. There needs to be a DOGE type of audit done at the Department of Transportation. Citizens are already leaving the State due to the high taxes,
Sincerely Richard Ackerman
