Measure, Appointment or Topic: HB2025

My name is Kim Curtis from Keizer, Oregon. I'm strongly opposed to HB 2025. Raising gas taxes, registration fees, and licensing costs in the middle of a cost-of-living crisis is unacceptable. This bill punishes working families just trying to get by. Enough is enough. When times are tough families cut back and make do with less. The government needs to start doing that too. Set aside pet projects and fruitless endeavors and tighten the belt. This state has enough taxpayer money already.
