

Submitter: Gayle Davis

On Behalf Of:

Committee: Joint Committee On Transportation Reinvestment

Measure, Appointment or Topic: HB2025

I am completely opposed to the bill. First of all, ODOT needs to live within their budget and do what needs to be done to get our highways back in shape. Throwing more money at them will not fix the issue. Secondly, the tax burden to Oregonians is already ridiculous. Use the Republican plan for ODOT. Your constituents will be relieved.

Do NOT push this bill through.
