

Submitter: Dave Ganslein

On Behalf Of:

Committee: Joint Committee On Transportation Reinvestment

Measure, Appointment or Topic: HB2025

I inadvertently submitted testimony in favor of HB2025 for the June 11th meeting.

I wish to redact that.

HB2025 is a license to steal for ODOT.

There is no accountability or oversight of this agency whatsoever. ODOT has wasted billions of taxpayer dollars on failed or nonexistent projects.
