Committee: Joint Committee On Transportation Reinvestment

Measure, Appointment or Topic: HB2025

These taxes and fee increases will overburden taxpayers and small businesses! How will local businesses manage these egregious taxes? They'll have to pass that onto their customers, cut pay and/or staff and hours, which then further impacts the local economy. It will have a devastating domino effect, forcing even more businesses out that barely survived the covid restrictions that already killed too many shops in the state. This is unacceptable and untenable!
