SB243

i oppose SB243. The language in the bill is too vague in regards to cities, counties, etc to designate areas for CHL and is a violation of our rights to carry. It would be great if you could focus your bills related to guns to address those who are not getting their guns legally. Every couple of days i read the Sherriff update in Marion county and they have stopped someone with drugs and a gun. lock and down these folks and figure out where they got their gun. Quit trying to limit the rights of the responsible gun owners.
