Measure, Appointment or Topic: HB2025

I oppose HB 2025. Voters have no say in bills that impact their lives. Most families, myself included, can't afford to be taxed anymore. We're barely surviving and your answer is to burden working people with an insatiable amount of taxes with no accountability. We have too many people sitting in the wagon and not enough people pulling it now. No wonder people are leaving the state in droves. If you work you can't survive in Oregon. STOP THE TAXES!!!!!!
