I vehemently oppose HR 2025! Gas is already at \$3.89 here in La Pine. I am a senior living on a Fixed income and every bill I have has increased to the point that I have to choose between food or the drugs I am supposed to take. My health insurance went up \$76.00 a month this year! Inflation is a lot higher than the experts are claiming it to be.

You are forcing us people on a fixed income out of our houses with all these taxes. Even if a person is working they are having a hard time making ends meet.

I am Telling You politicians to do your JOB that you were elected to do, AND THAT IS TO TAKE CARE OF THE PEOPLE OF OREGON> NOT DESTROY THEM!!!!!!
