

Submitter: Deborah Koland

On Behalf Of:

Committee: Joint Committee On Transportation Reinvestment

Measure, Appointment or Topic: HB2025

I submitted testimony approximately 15 minutes ago. I accidentally pressed the “support” option, but I intended to “oppose” HB205. You will see from the wording of my text that I oppose it. Please find my original text beginning with “No. No. And No!” I trust I can make this correction in this way and that you will honor my opposition. Thank you.
