SB243

I oppose SB 243 because it makes criminals out of law-abiding citizens, robs citizens of their lawful ability and right to defend themselves and their families, and instead of making Oregon a safer place to live, it expands gun-free zones for responsible and licensed CHL holders - ensuring that criminals have plenty of places to harm and kill citizens while meeting little-to-no resistance. I urge the legislators to say NO to this bill: stop criminalizing law-abiding citizens and stop making Oregon a more dangerous place to live!
