

Submitter: Matt Paz

On Behalf Of:

Committee: Joint Committee On Transportation Reinvestment

Measure, Appointment or Topic: HB2025

Oregon's tax burden is already too high on working families. Stop Oregon payroll taxes and think about lowering income taxes to make this state more competitive, so businesses will expand here and pay taxes, rather than having to lay off workers or leave the state. Didn't we just pass the Oregon CAT? Can't that be enough?
