Committee: House Committee On Rules

Measure, Appointment or Topic: SB243

I oppose any Legislation or Rule that Restricts our CONSTITUTIONAL RIGHTS, including such that Restricts our 2nd Amendment. This clearly violates our Right to Keep and Bear Arms as it creates Unlawful restrictions on a firearm simply due to its SEMI-AUTO function being "too quick". We don't need anymore violations of our Constitutional Rights. This decision will create a dangerous precedent and put MILLIONS of Law abiding Americans in jeopardy. If you continue to create these unrealistic and harmful restrictions on the Peaceable and Law abiding, the more they will become ready to stand and become willing to FIGHT for their Freedoms back.
