SB243

I oppose SB 243, I am a CHL holder and all CHL holder go through a class and background checks to Receive one. We are the best law abiding citizens you can have, There is no way a police officer can be everywhere nor do you have the funds to put more officers on patrol to help protect people and officers themselves, ask any officer who they would want around? A CHL holder or non they will tell you CHL holder, a holder saves more lives than a police officer ever will because they can not respond fast enough. Making it illegal for a CHL to carry in a public building is just crazy.

Bump stocks and rapid fire devices. Disabled people use bump stocks and competitors use rapid fire devices as a tool for competitions. Not only are they fun but also a useful tool.

The 72hr wait period is also a violation of our 2A rights, when someone needs a gun for protection they need it as soon as possible, we already have background checks. This is just more cost and more red tape. Thank you.
