

Submitter: Sally Carlson

On Behalf Of:

Committee: Joint Committee On Transportation Reinvestment

Measure, Appointment or Topic: HB2025

I live in Sherwood, Oregon and, due to a brain injury, I am unable to drive. If it weren't for the one Trimet bus we have in Sherwood, I would not be able to get to my doctors in Portland and I would not be able to do any shopping for groceries and other necessities anywhere outside of Sherwood. I support this measure to increase funding for Trimet transit services.
