I oppose ANY Tax! Let's cut spending waste! People in Oregon can't afford more taxes on gas, dmV and even the added tax on new and used vehicles. Many retired people who live in rural communities who depend on our vehicles to travel to medical appointments cannot afford added expenses to stretch their retirement money. Let's not make our seniors have to go back to work. When a state is already one of the HIGHEST TAXED state Let's step back and LOOK FOR THE WASTE in our government! I strongly oppose HB2025. Cut the waste and nonsense Spending! NO NEW TAXES!
