Measure, Appointment or Topic: HB2025

My name is Mrs. Kathy J Heitz from Baker City, Oregon. I'm strongly opposed to HB 2025. Raising gas taxes, registration fees, and licensing costs in the middle of a cost-of-living crisis is unacceptable. This bill punishes working families just trying to get by. Enough is enough.

Just the increase in Fuel Cost will considerable deplete the funds I could be using for Food since my SNAP Benefits were cut in half this year. Then to Massively increase the cost of Registration by nearly 300% would mean I would Not be able to keep my Vehicle Registered. I am on Minimal SS that just barely covers my Monthly Expenses.

Wake Up, Oregon. We do not have to be like CA or WA because YOU want to destroy the lives of your Citizen/Residents.

Thank you for hearing my Deep Concerns of these TAXES.

Respectfully,
Mrs. Kathy J Heitz
