

Submitter: Steve Turner

On Behalf Of:

Committee: Joint Committee On Transportation Reinvestment

Measure, Appointment or Topic: HB2025

My name is Steve Turner and I live in Sherwood, Oregon. I have been an Oregon resident for nearly 70 years and a tax paying citizen for 50 years. I am strongly opposed to HB 2025. Raising gas taxes and license fees is unacceptable. Too many families are suffering already. Enough is enough!
