

Submitter: Anne Emmett

On Behalf Of:

Committee: House Committee On Rules

Measure, Appointment or Topic: SB238

Members of the House Committee on Rules. I strongly oppose this bill which will expand the surveillance of residents and infringe on our rights and our privacy. This bill if passed would be a dangerous precedent in this time in which we are living where the Constitution, civil rights and due process are being disregarded by the administration in DC . Please vote no.
