SB243

I support SB 243 and I urge you to do the same. We need a way to reduce gun violence in our communities and in our country as a whole. Far too many people's lives have been taken when it could have been easily prevented with proper gun safety laws. Please help to save the lives of our children and our communities. I don't want to be afraid to send my child to school someday but at this rate, I'm terrified. Please help make a difference.
