SB243

I urge you to oppose Oregon Senate Bill 243. This bill, while claiming to enhance safety, infringes upon the constitutional rights of law-abiding Oregonians and fails to address the root causes of violence. Instead of punishing responsible citizens with ineffective restrictions and expanding arbitrary gun-free zones, we must focus on strengthening mental health resources and addressing the actual drivers of crime in our communities. This is a blatant attempt to strip the constitutional rights of law abiding citizens and pave the way for total confiscation.
