SB243

Hello all,

I am opposing this bill due to how over reaching it is. Not only will it ban the trigger activator, which it is still semi auto by all accounts, it also restricts conceal carry. Restricting conceal carry will only help bolster people who want to do bad to seek out these restricted areas. It also incorporates a waiting period which if passing a background check and being cleared, why the wait? It's counterproductive and pointless. As someone from a state that had waiting periods, it did nothing to slow crime and violence. Please stop this bill from passing, it will solve and do nothing to help Oregonians. It is just more feel good measures, which has never helped or been positive.

Thank you and take care,
Henry Christensen
