

Submitter: Matthew Sztelle

On Behalf Of:

Committee: Joint Committee On Transportation Reinvestment

Measure, Appointment or Topic: HB2025

Joint Committee,

Thank you for taking public comments and OPPOSING HB 2025. Government is the largest expense for most Oregonians. Increasing that expense, let alone with no real accountability, is an insult to all Oregonians.

Thank you for voting against HB 2025.
