SB243

I Oppose SB243! This is an unconstitutional bill, which goes against our federally protected rights, it's budget constraints & financial impact will create a strain on the local municipalities to enforce this unfunded mandate, and lastly it will make lawful and legal gun owners felons for those who have purchased aftermarket triggers to use for hunting, self defense, sporting, and recreational hobbies; all of which are protected rights of firearm owners. This bill does not do anything to prevent or stop criminals from criminal activity or criminal behavior.
