

Submitter:

Robert Powell

On Behalf Of:

Committee:

House Committee On Rules

Measure, Appointment or Topic:

SB243

There is no need to create more laws on firearms, until we can enforce the laws that are currently in our state statues. If you want to keep people safe, fully fund our police, courts, correctional departments and mental health access for our citizens. As we see, laws only keep honest people honest and make no difference to those that already break the laws.
