SB243

I am in opposition to sb 243. What part of the 2nd amendment are you not understanding? The continuous interreference of law abiding citizen's right to bare arms shall not be infringed. Law abiding citizens do not cause crimes. If you would actually enforce the existing penalties for crimes committed with a gun, we would not have an issue, but progressive judges appointed by Brown, do not enforce severe penalties for crimes with the use of a gun. These progressive judges will cite race, immigration status, & gang membership as reasons not to punish. It is ridiculous to punish law abiding citizens with further erosion of our rights, but that is what the democratic party does.
