Measure, Appointment or Topic: HB2025

My name is James Peery from Salem, Oregon. I'm strongly opposed to HB 2025. Raising gas taxes, registration fees, and licensing costs in the middle of a cost-of-living crisis is unacceptable. This bill punishes working families just trying to get by. Enough is enough. We cannot afford to eat properly, or pay for necessary items more often now. I'm 68 years old, and still work part time, just so I can pay the bills, and I am not alone! This bill would decimate any chance of my family moving forward to any profitable, or brighter future as we already have a frail budget. This state is already very expensive to live in, and this is just plain unnecessary. Thank you for your consideration and time.
