

Submitter: Richard Akerman

On Behalf Of:

Committee: Joint Committee On Transportation Reinvestment

Measure, Appointment or Topic: HB2025

My name is Richard Akerman of Lake Oswego, Oregon. I am strongly opposed to HB2025. Raising gas taxes, registration fees and licensing costs in the middle of a cost of living crisis is totally unacceptable. This bill punishes working families just trying to get by. Enough is enough. Instead of new taxes try cutting some costs !.
