

Submitter: Dale Burlison

On Behalf Of:

Committee: Joint Committee On Transportation Reinvestment

Measure, Appointment or Topic: HB2025

I oppose HB 2025, as a senior it's getting harder to afford the increase of energy, food, insurance including health insurance costs. We can cut 10% of jobs in ODOT and save money. Cut state government jobs by 10% to 15% and then you don't have to raise taxes on the struggling middle class.
