

Submitter: Scott Bell

On Behalf Of:

Committee: Joint Committee On Transportation Reinvestment

Measure, Appointment or Topic: HB2025

I strongly oppose HB2025! HB2025 is simply a bailout and will continue to support mismanagement of Oregon Taxpayer funds! We need our elected leaders to be accountable, work to find waste and inefficiency, and work within the current revenue budget! The solution can't always be to increase taxes.
