Measure, Appointment or Topic: HB2025

My name is Teresa Elliott from Medford, Oregon. I'm strongly opposed to HB 2025. Raising gas taxes, registration fees, and licensing costs in the middle of a cost-of-living crisis is unacceptable. My husband and I are retired. This bill punishes those retired and working families just trying to get by. Enough is enough. Furthermore, I do not support the USE of the proposed new tax funds. It is time for Oregon to learn to live within a budget like the rest of us.
