Committee: Joint Committee On Transportation Reinvestment

Measure, Appointment or Topic: HB2025

My name is Cheryl Bratton from Salem, Oregon. I'm strongly opposed to HB 2025. Raising gas taxes, registration fees, and licensing costs in the middle of a cost-of-living crisis is unacceptable. We've been struggling to keep our heads above water for years and now instead of throwing us a life ring this bill is moving the boat further away. It's time to start making changes that help Oregonians and make Oregon that place to be proud of like it had been for my family for 100 years. Throw us a Line not an anchor!
