SB238

SB 238A is an affront to our civil rights and is completely unnecessary. This expansion of law enforcement power represents the worst of our values and ignores a rich history of abuse and misconduct by law enforcement. Moreover, this bill will accelerate the erosion of our 4th Amendment rights by altering our expectations of privacy by allowing the more regular use of drones. Those who support this bill are actively undermining our civil rights. Please vote no on this bill if you care about the rights of Oregonians.
