Measure, Appointment or Topic: HB2025

My name is Joe Hudspeth, and I live in Prineville, Oregon. I'm writing to express my strong opposition to House Bill 2025. With the cost of living already straining Oregon families, this bill would make it even more difficult to get by, especially for those of us on a fixed income. Raising gas taxes, registration fees, and payroll taxes will also place an unfair burden on working families. I urge you to vote no on HB 2025 and instead focus on holding ODOT accountable and making better use of the funding it already has. Listen to the people please!
