Measure, Appointment or Topic: HB2025

My name is David , and I live in Clackamas County, Oregon. I'm writing to express my strong opposition to House Bill 2025. With the cost of living already straining Oregon families, this bill would make it even more difficult to get by. Raising gas taxes, registration fees, and payroll taxes will place an unfair burden on working families like mine. I urge you to vote no on HB 2025 and instead focus on holding ODOT accountable and making better use of the funding it already has.

I am on a modest fixed income which if this Bill passes in whole will present a greater hardship than getting by already is. I can't imagine how this will impact the lower middle income people in Oregon. Hard to fathom politicians seeking to make life more difficult financially than it already is.

Thank you
