On Behalf Of: HB 2025

Committee: Joint Committee On Transportation Reinvestment

Measure, Appointment or Topic: HB2025

My name is Mike Brand, and I live in Aloha, Oregon. I'm writing to express my strong opposition to House Bill 2025. With the cost of living already straining Oregon families, this bill would make it even more difficult to get by. Raising gas taxes, registration fees, and payroll taxes will place an unfair burden on working families like mine. I urge you to vote no on HB 2025 and instead focus on holding ODOT accountable and making better use of the funding it already has. It is incredible that Montana's gas prices on a recent trip were about 70 cents per gallon lower than in Oregon. Isn't it time to reduce taxes, and increase efficiency in Oregon road departments?
