Measure, Appointment or Topic: HB2025

My name is Lynne Roe and I live in Lake Oswego, Oregon. I'm writing to express my strong opposition to House Bill 2025. With the cost of living already straining Oregon families, this bill would make it even more difficult to get by. We do not need to be subjected to more taxes. ODOT needs to be held accountable, making better use of the funding it already has. I urge you to vote no on HB 2025.
