Measure, Appointment or Topic: HB2025

Oregonians are already stretched beyond their limits by the taxes we already pay in Oregon. We cannot afford more taxes to continue to fund a system that doesn't use their current resources wisely. Stop thinking additional taxes are the way to fix the systems that are broken; Oregonians can't afford that kind of thinking. We need tax relief in Oregon, not additional tax burdens. NO on HB 2025. Thank you!
