On Behalf Of: HB 2025  
Committee: Joint Committee On Transportation Reinvestment  
Measure, Appointment or Topic: HB2025

My name is Jeff Whitey and I live in Coos Bay, Oregon. I'm writing to express my strong opposition to House Bill 2025. With the cost of living already straining Oregon our families and rural , this bill would make it even more difficult to get by. Raising gas taxes, registration fees, and payroll taxes will place an unfair burden on working families like mine. I urge you to vote no on HB 2025 and instead focus on holding ODOT accountable and making better use of the funding it already has. Please focus on accountable administratively run agencies instead of taxation and throwing more money at these poorly run state agencies. Accountable leadership, less spending in our struggling state.
