

Submitter: Janet Lundberg

On Behalf Of:

Committee: Joint Committee On Transportation Reinvestment

Measure, Appointment or Topic: HB2025

I am a native 72 year-old Oregonian who finds it offensive that the leadership of this state cannot seem to find ways to live within their means. Somebody is making money off their position! We need to return to a place where we can keep our roads and highways safe and beautiful for visitors and citizens alike, even if it means cutting some other of our myriad of so-called "social programs." Find that place!
