Measure, Appointment or Topic: HB2025

My name is Fred Weaver, and I live in Gresham, Oregon. I'm writing to express my strong opposition to House Bill 2025. With the cost of living already straining Oregon families, as well as us retired folks on a fixed income, this bill would make it even more difficult to get by. Raising gas taxes, registration fees, and payroll taxes will place an unfair burden on families like mine. I urge you to vote NO on HB 2025 and instead focus on holding ODOT accountable and making better use of the funding it already has.

All these taxes your Democrat party is passing this year is bankrupting us Oregon Citizens.

The Republican plan seems doable. Vote FOR their plan instead.

Thank you for your time.
