Committee: Joint Committee On Transportation Reinvestment

Measure, Appointment or Topic: HB2025

Quit taxing us. You are terrible leaders and do not deserve the pay or position you democrats are holding. You do not serve the people, you serve your own pet projects and your own pockets. Quit stealing from us. Most of us a generational Oregonians not implants like most of you so you don't know what a real Oregonian is or for. We definitely don't like flatties like you intruding on grounds and ruining our state like you are.
