Measure, Appointment or Topic: HB2025

I am opposed to HB 2025. Raising gas taxes, registration fees, and licensing costs in the middle of a cost-of-living crisis is unacceptable. My wife and i retired to McMinnville 15 years ago. We hoped this would be our final move. HB 2025 has to be defeated. The legislature has constantly increased fees and taxes every biennium. Please stop. We do not want to move out of Oregon but we may be forced to with the constant increases in fees and taxes at every level of government. The Capital Activities Tax forced large companies to leave Oregon. The increased fees and taxes associated with HB 2025 may result in forcing us to move out of Oregon.
