SB243

This bill as admitted by Senator Manning, is not written to curb criminal violence. It is written to inhibit law abiding citizens from carrying out our Constitutional rights. Fully automatic weapons are already illegal. "Rapid fire" devices do not turn a standard firearm into a fully auto firearm.

We as concealed carry holders are the most responsible of firearms owners. In public places where there are no law enforcement available. Concealed carry holders are our first line of defense. Why are concealed carry holders being attacked? As this bill is without a doubt focused on doing.

Please for God's sake, reject this bill and vote no for your constituents. Look at the over whelming number in opposition. The only support is coming from special interest groups. **STOP THE ATTACK ON THE PEOPLES RIGHTS AND OUR ABILITY TO DEFEND OURSELVES.**
