Committee: Joint Committee On Transportation Reinvestment

Measure, Appointment or Topic: HB2025

In a time where Oregonians are struggling and living paycheck to paycheck now is not the time to raise a ton of taxes. Bottom line, ODOT needs to be held accountable for what is in their P&L. The Democrats have failed this state for decades and really needs to start listening to the republicans on how we can solve this deficit. If the Dems pass this bill we will do everything we can to remove each and ever Democrats from their positions.
