House Committee On Rules

Measure, Appointment or Topic:

SB243

As an Oregon resident, Home owner, parent - I oppose the passage of SB243

Please consider voting NO on SB243.

The continued layering of bad policy into law in the name of a poorly defined safety standards which have no practical or statistical reason to believe are attainable only punishes the law abiding. I would rather see legislative efforts put towards mandating enforcement of the laws on the books.

You know what happens when we (the citizens) are finally "unarmed & defenseless" we will be just that "unarmed & defenseless"

Be Bold - Stand Up - Vote NO!!!!
